By submitting this Rental Account Agreement, you agree that any Rental Agreement made between yourself and Bolt Productions will include the terms set forth herein.

DESCRIPTION OF EQUIPMENT: The Equipment subject to this Agreement shall be the specific item(s) of Equipment listed on the Rental Agreement executed at the time of delivery of such Equipment (the "Equipment"). Upon pickup of the Equipment by Customer at Bolt's place of business, or upon receipt by Customer after shipment of the Equipment by Bolt, it is Customer's responsibility to determine that the order is complete and to notify Bolt, prior to taking delivery, of any discrepancies.

TERMS OF RENTAL: Unless otherwise specified herein or in the Rental Agreement, all Equipment shall be rented on a day-to-day basis and all rental rates shall apply to each full day or any fraction thereof which has elapsed between the time the Equipment is delivered to Customer and the time it is returned to Bolt. Pickup of the Equipment by the Customer from Bolt or shipment of the Equipment by Bolt after 4:00 p.m. shall not be deemed a rental day. Return of the Equipment to Bolt after 10:00 a.m. will be deemed an additional rental day. Where the Equipment has not been returned to and received by Bolt by the date specified in the Rental Agreement, rent shall continue to accrue on the Equipment on a day-to-day basis at the rate set forth in the Rental Agreement until such time as the Equipment has been returned to and received by Bolt. Regardless of the period of rental specified in the Rental Agreement, Bolt, by notice to the Customer, may cancel any Rental Agreement at any time during the term of rental if, in the sole discretion of Bolt, it is determined that the Customer is misusing equipment, the terms of this Agreement are not being met, or the Customer has breached this Agreement in any other manner.

DELIVERY: The Customer, by signing this Rental Account Agreement, acknowledges that the Equipment will be deemed "delivered" when it leaves Bolt's place of business in the possession of the Customer or any third party carrier. The Customer bears full responsibility for all selection of and payment to any third-party carrier, and for any other obligations under applicable transportation agreements, unless other arrangements are made in writing and signed by the Customer and an authorized representative of Bolt. In the event Bolt agrees in writing to deliver the Equipment to a location away from Bolt's place of business, the Customer shall provide Bolt with detailed written instructions for such delivery. If the Customer fails to provide such instructions, or if such instructions fail to address any aspects of the delivery process, Customer shall be deemed to have authorized Bolt to accomplish delivery in any manner that Bolt, in its sole discretion, deems appropriate, including use of a third-party carrier selected by Bolt. Under all circumstances, the Customer agrees to bear the entire risk of loss and/or damage to the Equipment once it is no longer in the physical custody of authorized Bolt employees.

RETURN: Except as otherwise provided herein, the Equipment shall be deemed "returned" to Bolt when it has been returned to and received by Bolt at Bolt's place of business. The Customer shall continue to bear

any and all risks of loss and/or damage to the Equipment until return has been accomplished in this manner. Equipment that has been damaged or destroyed while in the possession of the Customer, an agent of the Customer or any third-party carrier, shall not be deemed to have been "returned" to Bolt until such time as it has been repaired and the Customer has been released in writing by an authorized representative of Bolt from liability for any further rent, or Bolt has received full replacement value from the Customer or the Customer's insurer. Likewise, Equipment that has been fast, stolen or seized by a governmental agency prior to being returned to and received by Bolt shall not be deemed to have been returned" to Bolt until Bolt has received full replacement value from the Customer or the Customer's insurer or the Equipment has been released by the governmental agency or third party and is in the physical custody of authorized Bolt employees in an undamaged condition. Under no circumstances shall Equipment be deemed to have been returned to Bolt until such time as each item has been unpacked from its shipping container, examined by Bolt's employees, individually bar code scanned into the Bolt computerized inventory system as returned and undamaged, and a receipt issued by Bolt.

RATES AND CHARGES: The rent payable for any item of Equipment shall be the rate set forth in the Rental Agreement. This rate is offered to Customer based upon Customer's credit information available to Bolt at the time of rental. This completed Rental Agreement must be signed and returned to Bolt at least three (3) days prior to the first rental. If this information is incorrect or changes during the course of a rental, Bolt may revise the applicable rate by notifying the Customer in writing. Rent is payable according to the terms contained on Bolt's Rental Agreement. If not paid when due, rent shall bear interest at the rate of one and one-half percent (1 1/2 %) per month from the date rental charges were incurred. Any discounts granted by Bolt may be revoked at any time after thirty (30) days. Bolt's published rates are subject to change prospectively at any time without notice. All rates are FOB Bolt, and Customer is responsible for all shipping and delivery charges. Bolt may assess an additional charge in accordance with its then current rate schedule for pickup and delivery, early pickup services during non-business hours, and technical support for the operation of Equipment. Canceled orders will be subject to Bolt's then current cancellation charge. No allowance will be made for items delivered to, but not used by the Customer. The Customer shall pay all taxes, transportation charges, duties, broker's fees, bonds, or other costs imposed by reason of the rental of the Equipment by the Customer.

LIMITED WARRANTY: Bolt warrants that, when delivered to the Customer, all Equipment will be operational to accepted manufacturer's specifications. In the event of malfunction, Customer must notify Bolt immediately. Bolt will have no responsibility for any malfunction reported after termination of the rental for such Equipment. Customer shall not attempt to service or repair any of the Equipment and any attempt by the customer to service or repair Equipment will void the limited warranty provided herein. The limited warranty provided herein shall not apply to any malfunction resulting from mishandling or improper operation of the Equipment after delivery to the Customer. Bolt shall have no liability arising out of the Customer's inability to operate the Equipment in accordance with manufacturer's instructions and contemplated use. Except as set forth herein, Bolt makes no warranty with respect to the Equipment. Bolt expressly disclaims any warranty, implied or otherwise, that the Equipment is suitable for Customer's intended use. Bolt shall not be liable for any consequential damages suffered by the Customer or any third party. Bolt's liability for any breach of the warranty granted hereunder shall be, in Bolt's discretion, limited to replacement or repair of any malfunctioning Equipment or a refund of any rent paid by the Customer in connection with such Equipment.

DAMAGE: The Customer acknowledges that when the Equipment is delivered to the Customer, the Customer will have examined the Equipment and found it to be in good working order. The Customer shall have full responsibility and liability to Bolt for the actual cost to repair or replace any Equipment which during the period between delivery to the Customer and return to Bolt has been lost, stolen, or damaged from any cause whatsoever (other than from a malfunction to which Bolt's limited warranty applies or ordinary wear and tear). The Customer assumes any and all risks of loss once the Equipment leaves Bolt's place of business until such time as the Equipment is returned to Bolt in the manner provided herein, except at

such times as the Equipment is in the exclusive control of authorized Bolt employees. The Customer shall also be liable to Bolt for any continued rental charges during a reasonable time required to repair or replace damaged Equipment. To the extent the Customer is responsible under this Rental Account Agreement for such damage or loss, the Customer shall be liable to Bolt for the full replacement cost of all Equipment which must be replaced as a result of damage, loss or customer's failure to return the Equipment to Bolt. The liability of Customer hereunder is primary and shall not be reduced in the event Bolt receives proceeds from its own insurance. Acceptance by Bolt of the return of any Equipment shall not be deemed a waiver by Bolt any claims which Bolt may have against the Customer under this paragraph, even though any damage for which the Customer is liable hereunder is discovered later.

RENTAL INSURANCE PROVIDED BY CUSTOMER: Prior to taking delivery of the Equipment, the Customer shall provide to Bolt a Certificate of General Liability Insurance acceptable to Bolt, with Bolt Productions named as the Loss Payee, in a form and amount (not less than \$1 million) satisfactory to Bolt, evidencing Customer's insurance covering all risk of loss to the Equipment, worldwide, at replacement cost value plus any continuing rental charges at the same rate set forth on the Rental Agreement (such payments to continue until the date of receipt of the replacement cost by Bolt), including coverage of the Equipment while in transit. This Customer's insurance binder must have an expiration date of no less than thirty (30) days past the end of the rental period. If the certificate is to be modified, amended, or changed, a new certificate must be on file prior to the expiration date of the original.

USE OF EQUIPMENT: The Customer shall at all times retain the Equipment in its own custody. The Customer shall operate the Equipment in accordance with the manufacturer's instructions and contemplated use and shall not use the Equipment in any manner which will subject it to abnormal or hazardous conditions, including, but not limited to: not using the Equipment in accordance with manufacturer's instructions and contemplated use, negligence (defined as, but not limited to, failure to provide prudent security measures to prevent theft or carelessness in maintaining the Equipment properly); or misuse (defined as, but not limited to, improper use of the Equipment causing damage due to the utilization of the Equipment in a manner for which it is not designed) . The Customer shall not make any alterations or improvements to the Equipment without the prior written consent of Bolt and shall not deface, remove, or cover any nameplate on the Equipment showing Bolt's ownership. All Equipment shall be operated in accordance with applicable Federal, State and local laws.

INDEMNIFICATION: The Customer hereby agrees to indemnify and hold Bolt harmless from and against any and all losses and/or claims, including without limitation reasonable attorneys' fees, arising out of Customer's possession, use or operation of the Equipment of the Equipment during the time between delivery of the Equipment to the Customer and its return to Bolt.
